Předmět: MMMonVHF Newsletter 2007-05-26

Hallo dear MMMonVHF friends,

again some news, so here infos again via the "NEWSLETTER of Make More Miles on VHF" again:

* Yesterday, Guy, DL8EBW, was able to spread out the new MS-DATABASE issue 2.35. All the past weeks we was collecting UPDATES and so now there is a good overview about activity on MS/EME. Please find a download area on the "MS-page" (http://www.mmmonvhf.de/ms.php) at MMMonVHF or use the DATABASE-PROJECT page on http://www.dl8ebw.de/ Have fun with that new issue...

As usual here are now some headlines of new expeditions or special events. For all in detail, please be so kind and refer at the "NEWS"-page at http://www.mmmonvhf.de / at the NEWS page and check for the latest updates (changes marked orange!)

***

In june PA3CNX and PE1L will be qrv from PJ4 Bonaire. The call has not yet been issued but we asked for PJ4EME. Setup will be 4 x 9 element with full elevation, Gasfet preamp and 1kw. Rene did setup a new homepage with all details for the trip...

***

Jimmy, SV1BTR, did spread latest news abt SV9/DL5MAE on MMMonVHF - Wolfgang DL5MAE is in Gavdos island, the most south part of Europe. Locator is KM24BT and call used is SV9/DL5MAE. For cw EME things do not look that good as he has hills at his moonrise and a mountain at his moonset. However, he will give it a try at his moonrise tomorrow. I will talk to him again on Tuesday night as I am going to my EME qth today...

***

http://www.sotawatch.org/beta/alerts.php ...

***

PLEASE do remember we are only trying to spot/announce the expedition infos - we are not responceable what happens during the time or the expedition itself...

Tnx a lot for the news and infos these time to: PE1L, SV1BTR, KC3RE, W7XU, K7XC, DK2ZF and as well IOTA/SOTA-RSGB, GB2RS-News, F5NQL-News, VA3RJ-News, VHF-DX-RU and infos we did find at the ON4KST-, EA-V-U-SHF- and N0UK-Chats and other I-net-sources...

If you do see, or hear, or work yourself an expedition, which is NOT (or with WRONG infos) at our MMMonVHF-page, PLEASE drop us a comment use "CONTACT" at the webpage or via mail: info@mmmonvhf.de

Have a pleasant DX on VHF and (maybe a long) good weekend!

73 de Guido "Guy" DL8EBW
